The Financial Adviser gives advice on behalf of Pie Funds Management Limited, FSP12181 (Pie Funds)

1. Nature and Scope of Advice

I am a financial adviser and I give financial advice on behalf of Pie Funds Management Limited ('Pie Funds'), who is a financial advice provider.

I provide financial advice that is limited to:

- managed investment funds issued by Pie Funds;
- one-off advice (not on-going);
- only considering assets held with Pie Funds (not externally); and
- only the amount you have indicated you wish to invest with Pie Funds '**Investment Advice**').

I can't advise on things like tax, estate planning, accounting, insurance or pension/superannuation schemes.

2. Fees and expenses

We do not charge fees for giving Investment Advice. This means if you proceed with our investment recommendations, you will NOT be charged a fee.

If you proceed with our recommended investment plan, there will be separate charges for each fund held in your portfolio. You will separately have to agree to these fees, which are disclosed in the product disclosure statement for each fund.

3. Conflicts of Interest, Commissions and Incentives

It is important you are aware of the following conflicts of interest:

1. **Pie Funds is the manager of the Pie KiwiSaver Scheme and the Pie Funds Management Scheme ('Schemes')**: Pie Funds receives fees as manager of these Schemes. Fees are determined by reference to your balance. Pie Funds benefits financially if you invest in one or both of the Schemes.
2. **Remuneration**: I receive remuneration from Pie Funds. This remuneration is a base salary and potential bonus. No element of my base salary or bonus is based on the individual product recommendations I provide as part of my Investment Advice.

To manage this specific conflict of interest, any salary increases are subject to me demonstrating continued adherence to my duties under the Financial Markets Conduct Act ('**FMCA**'), Code of Conduct for Financial Advice Services ('**Code**') and other conduct and legal requirements and standards.

The above conflicts are managed by me:

- providing information on, and discussing with you, these conflicts before or at the time any Investment Advice is provided;
- engaging with you in a discussion of my duties;
- undertaking ongoing training in relation to my duties as a financial adviser;
- adhering to Pie Funds' framework to ensure compliance with my duties; and
- disclosing any issues that might present a conflict of interest to you on an individual basis when identified and not proceeding without your acknowledgement and consent.

4. Duties

When giving Investment Advice, I and Pie Funds are bound by duties set out in FMCA to:

- meet the standards of competence, knowledge and skill set out in the Code;
- give priority to client's interests;
- exercise care, diligence and skill; and
- meet the standards of ethical behaviour, conduct and client care as set out in the Code.
